

## Transcription of video from CFB Greenwood January, 2010

*HOST: left of screen. The bin Laden character is to the right of screen in a box, as though in a live satellite interview. He is wearing a white turban and a full grey beard. His skin is dark brown, except for around his eyes. He is clearly wearing makeup. There is a photo on the table next to him of a younger man in military fatigues, a Tilley-like hat and a full black beard.*

HOST: Welcome back to the 14 wing AMS report. We have a special guest here with us today. Osama bin Laden's older brother, Eugene. He's joining us live via satellite from Vancouver. First off, I'd like to welcome you to our show.

BIN LADEN: Very good thank you

HOST: Is that correct? Your name is Eugene?

BIN LADEN: Yes, this is correct. My father had 57 wives. Sadly for me number 12 was an infidel girl he met on the docks of Halifax when he was a very young boy.

HOST: Could you tell me Eugene why you chose 14 wing Greenwood for this interview and not, something like CNN?

BIN LADEN: That one is very easy. I have one very beautiful niece, who works in Greenwood. Maybe you know her? Her name is [OMITTED].

HOST: We know her very well, actually. However we didn't know you were related. So tell me how is it that you came to live in our country?

BIN LADEN: This was very simple. You infidels are not too bright. I have one very good friend, BinDere DoneThat who works in customs at the Vancouver airport.

HOST: So you're living in Vancouver. What you do for living out there?

BIN LADEN: What do you think I'm doing out here you silly infidel? I am driving one very nice taxi! (*walks off camera. Is heard to shout:*) Hey kid get away from that car bomb, I mean taxi. It is very dangerous. Don't be giving me your dirty finger. I am telling you. I will come to your home and I'll hump your goat. Now go away, stay away from that shit. Praise be to Allah. He would be so pissed if he heard that shit. I'm sorry. Where were we?

HOST: Okay... This will be a question on everybody's mind here in Canada, Mr. bin Laden, do you know where your brother is hiding and will you tell us?

BIN LADEN: I could yes, but I am not going to do this. It seems you silly infidels will never find him. Look lady, I do not want to be talking about him. It is always about him. Osama this shit, Osama that shit. It is always him, him, him. I get the guns, I steal the bullets, I make the bombs, I test that shit, I do everything - all he ever does is take the credit for my shit.

HOST: So would you say you are like the DCO of this organization then?

BIN LADEN: Yes, sadly this is true.

HOST: Mr. bin Laden do you know where we can find Osama?

BIN LADEN: Praise be to Allah. I keep telling you I do not want to be talking about that guy. Don't be poking at my shit for it.

HOST: If you are so frustrated with your brother why won't you just tell us where he's hiding then we'll catch him and then perhaps maybe you will get some credit for this?

BIN LADEN: Look lady, do you know how many virgin sheep I would be giving up? No Way. Allah has made big, big promise to me.

HOST: You're as sick as your younger brother. Okay, so what are your future plans Mr. bin Laden?

BIN LADEN: I've been thinking I will still supply him from time to time. The money is very good you know, and I have big, big family to feed.

HOST: Ok then. That's all the time we have for today. Thanks for the insightful interview.

BIN LADEN: Wait, wait. Please do not forget to say very big hi to [OMITTED] from uncle Eug for me please. Tell her I'll be giving her a call on my detonator *(makes a motion with hands as though talking on phone)* very soon.

HOST: Alright then I won't forget it. Bye for now.

BIN LADEN: Bye-bye
